

Dr. A. K. GANGULY RESEARCH & DEVELOPMENT AWARD – 2023

Call for Nominations

Nominations are invited by the ‘Dr. A.K. Ganguly Research & Development Award’ (AKGRDA) from Heads of Institutions / guiding teachers / immediate superiors for conferring the prize on any Indian Scientists below 50 years of age as on 1st January 2023. The nominee should have done meritorious work in the field of “Radiation Protection / Radiation in the Environment” in India during the preceding five years.

The nominations should have the following details:

1. A brief of the nominee including the nominee’s full name, date of birth, educational qualifications and address for communication (including telephone, fax number and E-mail ID).
2. Short write-up (not exceeding 300 words) highlighting major contributions of the person nominated in the field of Radiation Protection / Radiation in the Environment.
3. List of relevant publications in the field of work carried out by the nominee (Multi-authored papers of which the nominee is the major contributor may also be included) with four sets of reprints.
4. A certificate from the Head of the Institution or Laboratory where the research work was carried out by the nominee.
5. Name and address of at least two referees (not related to the nominee) who are familiar with the nominee’s work and research ability.
6. Name, designation, address and signature of the nominating person.

The nominations may please be sent to the following address on or before December 20, 2022.
